

Various Ingredients Containing Free Glutamate (MSG)

Auxi grow sprayed on conventional fruits and vegetables

Barley malt

Bouillon and broth

Brown rice syrup

Calcium caseinate, Sodium caseinate

Calcium glutamate (E 623)

Carrageenan (E 407)

Citric acid, Citrate (E 330)

Corn starch

Corn syrup

Dextrose

Enriched (anything)

Enzyme modified (anything)

Enzymes (anything)

Fermented protein (any)

Flavors or flavoring [i.e. natural flavors, raspberry flavor, vanilla flavor, etc..]

Gelatin

Glutamic acid (E 620), Glutamate (E 620)

Hydrolyzed (anything)

Hydrolyzed protein (any)

Lipolyzed butter fat

Magnesium glutamate (E 625)

Malt extract

Maltodextrin

Milk powder, reduced fat milk (skim; 1%; 2%), most things low fat or no fat

Modified food starch

Monoammonium glutamate (E 624)

Monopotassium glutamate (E 622)

Monosodium glutamate (E 621)

Natrium glutamate

Pectin (E 440)

Protease

Protein fortified (anything)

Rice syrup

Seasonings / spices

Soy protein isolate

Soy protein, soy protein concentrate

Soy sauce

Soy sauce extract

Stock

Textured protein

Ultra-pasteurized any protein

Vetsin

Vitamin enriched

Whey protein isolate

Whey protein, whey protein concentrate

Xanthum gum

Yeast (autolyzed)

Yeast extract

Yeast food, yeast nutrient
